## Atta Farms

0429 029 320

[attafarms@bigpond.com](mailto:attafarms@bigpond.com)

Atta Farms requires people to pick tomatoes and capsicums from mid-December to late May. Located in Ballandean, our farm has been family-operated for generations and is a major supplier to Kool Country Packers. We take pride in hard work and in our people. Join us in feeding our country.

## Ausfarm Fresh

(07) 4683 2207

[admin@appleshed.com.au](mailto:admin@appleshed.com.au)

[www.ausfarmfresh.com.au](http://www.ausfarmfresh.com.au)

We will have casual positions available with staggered starts from late November 2020 for thinning and picking apples. Our farms are located at Thulimbah and Pozieres therefore own transport is essential. If you can work quickly and carefully and at a high standard, there could be work available for up to 22 weeks. This is physical work, and can include heavy lifting, bending and use of machinery.

## Bent & Haynes Pty Ltd

(07) 4684 1156

[admin@bentandhaynes.com.au](mailto:admin@bentandhaynes.com.au)

Bent and Haynes Farms are tomato and capsicum growers located at Ballandean, 20 minutes south of Stanthorpe. Bent and Haynes harvest from mid-December until May and require staff for harvesting and packing of this produce.

## Eastern Colour Pty Ltd

0409 811 582 (Nathan Baronio)

[office@easterncolour.com.au](mailto:office@easterncolour.com.au)

Facebook: [@EasternColour](https://www.facebook.com/EasternColour)

This farm is located 5 minutes north of Stanthorpe. Strawberries are grown on tables and under tunnels which protects the fruit and makes work easy. Very long season starting in September and finishing in June. Eligible for 2<sup>nd</sup> & 3<sup>rd</sup> year visa with payslips. Bonus system in place for extra rewards! 5-6 days per week.

## Fonlea Orchards

0408 740 493 (Trent)

[admin@fastfruitsales.com.au](mailto:admin@fastfruitsales.com.au)

[www.fastfruitsales.com](http://www.fastfruitsales.com)

At Fonlea Orchards the Vedelago family is committed to providing a safe, healthy and energetic work environment to produce the highest quality fruit for our customers. We provide on-site continuous training and support to all our employees for all jobs which include pruning, thinning, picking and packing. Jobs are available all year round with November to June being our busiest months'.

## I & L Rissato & Sons

07 4685 3216

[work@rizzato.com.au](mailto:work@rizzato.com.au)

We are an apple orchard located in Pozieres, a 20 minutes' drive from the local town of Stanthorpe. We have various positions available throughout the year; apple picking (January to May), apple packing (all year round), apple tree pruning (June to October) and Apple thinning (November to December). Work is approximately 5-6 days per week. Counts for 2<sup>nd</sup> & 3<sup>rd</sup> year visas. We have some farm accommodation available.

## Taylor Family Produce

(07) 4683 3394

[admin@taylorsproduce.com.au](mailto:admin@taylorsproduce.com.au)

[www.taylorsproduce.com.au](http://www.taylorsproduce.com.au)

We are requiring planting, chipping, weeding persons for our leafy green vegetable business – from October 2020 through until March 2021. We acquire our staff from Backpackers of Queensland, <https://backpackersofqueensland.com.au/> Both male and female are welcome. We also can provide your 88 days for your application for your second-year visa. We are located within an area of 14km from Stanthorpe.

## Wallaroo Produce

0422 046 680 (John Patane)

[wallarooproduce@hotmail.com](mailto:wallarooproduce@hotmail.com)

Wallaroo Produce is a family run farm located 10-20 minutes south of Stanthorpe at Severnlea and Glen Aplin. We primarily grow capsicums, chillies and cucumbers during our peak season, along with other vegetables pre-season. We have jobs available for planting, picking, packing and other farm duties for seasonal workers from October to May every year.
